PRESIDENT: LB 202 passes. Do you have anything on your desk, Mr. Clerk? There's a motion by Senator Kime. Chair recognizes Senator Mahoney.

SENATOR MAHONEY: I thought that probably it had been.... Senator Barnett.... I think if you'll stay with me here so we can cover this it will be a verbal report and it will be handed very shortly by the Legislative Council Secretarial Staff. The Executive Board met on two different occasions and we have taken all of the 66 Resolutions and we have approved and referred them back to the respective committees in which they had originated from, except for 11 that were by individual Senators. The eleven that had individual Senators we then referred those to respective committees. We're asking that the Legislature approve this action. We had started on some of these on Wednesday. Had disapproved 17, approved 14. Finally we got to the point where many of the resolutions, we found, were coming from individual committees. As they came from each committee we decided that the last change in the Legislative Council and the statutes was that the committees should study these
